Romaphobia The Last Acceptable Form of Racism Aidan McGarry

Publication date: February 2017

PB: £14.99 / \$29.95

ISBN: 9781783603992

Also available in ebook

Based on first-hand accounts from Roma communities, Romaphobia is an examination of the discrimination faced by one of the most persecuted groups in Europe. Well-researched and informative, it shows that this discrimination has its roots in the early history of the European nation-state, and the ways in which the landless Roma have been excluded from national communities founded upon a notion of belonging to a particular territory.

Romaphobia allows us to unpick this relationship between identity and belonging, and shows the way towards the inclusion of Roma in society, providing vital insights for other marginalized communities.

'A timely analysis of how fear and loathing stultifies social progress. McGarry offers an excellent examination of the mechanisms of this enduring and despicable form of racism.'

- Annabel Tremlett, University of Portsmouth

'The strength of McGarry's book lies in the exploration of a broader, transnational research agenda that seeks to awake Romani studies from its "splendid isolation", leaving one with the desire to learn more about the roots of Romaphobia.'

- Lilla Farkas, Migration Policy Group
